SPARTANUS

*Annual Publication Of
Garden Spot High School
Eastern Lancaster County School District
New Holland, Pennsylvania
1964 Volume 7*

Through the eye of a camera and with the aid of a few carefully chosen words, the Spartanus Staff has tried to capture images to review those happenings faded in the minds of many, and still vibrant in the minds of others. You as graduates will only appreciate the complete purpose of this chronicle when you take your yearbook in order to recall a face, a big game, or dance, for it is then you know your yearbook has been a success for it has recorded and thus reminded you of your wonderful days as a student at Garden Spot.

Founded in 1958 as many separate districts, Garden Spot has now grown into a bound consolidation. The unique and harmonious fusion of both the modern and the conservative has given Garden Spot a rich atmosphere both socially and academically. The environment also blends both the new and the old, side by side, in everyday life. We gaze into the future, for the future holds in store greatly expanded academic, athletic, and social programs . . . as we look forward to a look back.

*A teacher, our leader;
his lectures, his anger,
his joy, his despair,
his satisfaction . . .
he is here to teach, we are here to learn.
Outside the classroom . . . he is our friend.*

You are the prime ingredients of our school. It is you, the students, who differentiate Garden Spot from a mere building. You can learn or lose, you can make or mar, you can give or take . . . in the future you will review your school years; now is the time to form the impressions you will then remember.

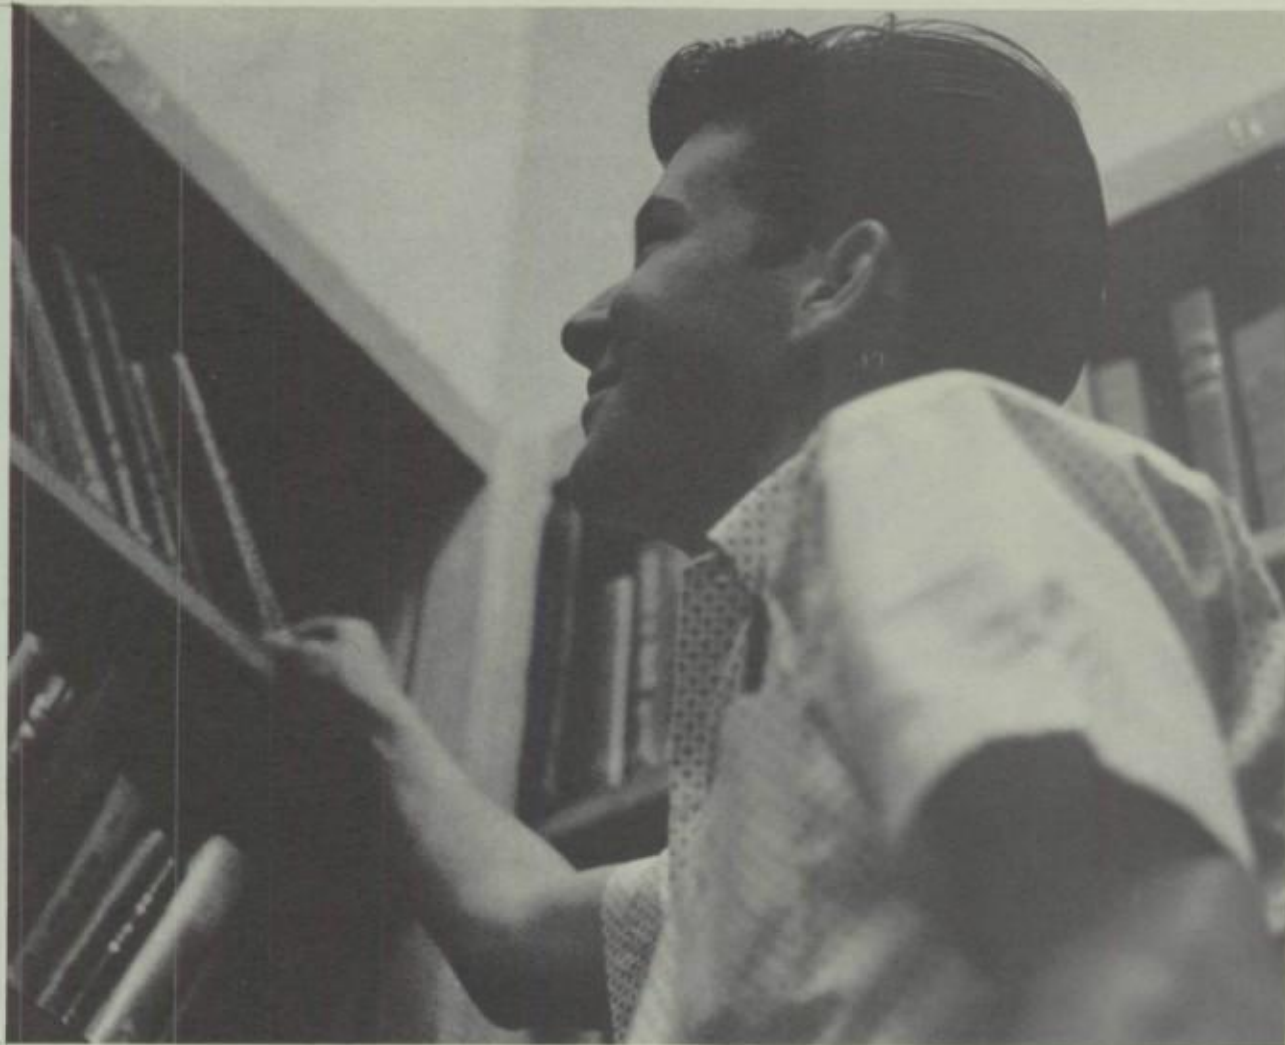

The supplementary events and extra curricular activities of Garden Spot blend in variations to the scholastic competition which evolves in any academic institution such as our own. Intellectual life was stimulated this year by the addition of new faculty members, widening Garden Spot's elective curriculum, and the guidance of our returning instructors. As the close of your six years at Garden Spot draws nigh, each of you will have rewarding efforts, flavored with insight, a little learning, and a little hope . . . leading to an unforeseeable future.

The events of 1963-64 at Garden Spot . . . a variety of experiences engendered by the will to do. The high points of this past year included the musical activities, a medley of both interscholastic and intramural athletic events, a fourth original school musical, May Day, and the Graduation festivities. Whether from the bleacher or spotlight, or the sideline or stage, our student body demonstrated spirit and a sense of pride. For those of you who lived these events, the Spartanus has bound in your yearbook their memories so they may live close to you through the future.

To the senior class, the Spartanus is especially dedicated, for you are the students who will return to these pages for a path leading to a host of remembrances which were so real to you as seniors . . . and in the future will seem only as past yet cherished memories.

SCHOOL BOARD

Probably few students are aware of the vital role which the school board has in the operation of our school.

The board consists of representatives from townships and two boroughs. These men are C. Earl Deibler, Robert M. Homan, Jr., Monroe H. Good, Howard Spotts and Arthur G. Stubbs elected from Brecknock Township; Miles K. Gunzenhauser, Harvey H. Overly, Pency Weller, Charles R. Thomas, and Paul McCoy delegated from Caernarvon Township; Eugene Burkholder, Parke Dunlap, Paul Sweigart, John W. Willwerth, and Jacob Wise representing Earl Township; Ray C. Boley, Meno H. Eby, William S. Eby, C. Theodore Sheaffer, and Ivan S. Witwer elected from East Earl Township. Allan R. Hunsicker, V. Lester Schreiber, Roy W. Hooper, Harry E. Maclay and Dr. Louis E. Williams representing New Holland Borough; Richard C. Bucher, C. Stanley, Floyd A. Parmer, Michael H. Wenger, and Roy H. Zell delegated from Terre Hill Borough.

These representatives are elected by the citizens every other year in November for a six year term, taking

office in December. This means that not more than two new men are elected at one time.

The duties of this board of men are to establish all school policies and the responsibility of the maintenance and operation of this school. To do this efficiently, three committees are set up within the board.

The Education and Finance Committee is responsible for securing all funds necessary to promote better education and to carry out all operations in the school. To incur smooth operation of all its duties, this group holds regular monthly meetings.

The school building is maintained structurally by the Building and Maintenance Committee which meets only when especially necessary.

As the name would imply, the Transportation Committee regulates the passage of students to and from school. They also map the bus routes and stops.

Together these committees work to produce an efficient school system that will enable the students to gain and to use much knowledge.

FOREIGN EXCHANGE STUDENTS

Sponsored by American

*Trading ideas; exchanging
customs; promoting
international understanding—
this is the A.F.S.*

*Our new friend—
Mario Arroyo
of Costa Rica*

Carl Weaver assists Mario with the day's assignments.

"One of the most valuable things that a young man can get is experience. This experience comes in many ways. The great times I've had in the unforgettable Garden Spot with the characteristic fellowship and friendship, has been an experience I will always remember."

Mario Arroyo

Taking a break from his American activities, Mario listens to a broadcast from his native Costa Rica.

Carl Weaver performs another of his duties as an American Big Brother, as he advises Mario with his homework.

Field Service and Student Council

Talented and congenial Will immediately became the center of attraction of his voyage abroad as folk singer and friend to all.

Aarau, Vordere Vorstadt mit Stadtturm

During Will's summer abroad he made his home in Aarau, Switzerland.

Our own "Will" Brandau represented G.S. in Switzerland.

"Switzerland and the United States are very much alike in many ways; however, there are a few differences. The school program is much more difficult and the teachers in the schools are respected by students much more than they are in the American schools.

I would like to express my gratitude to our local A.F.S. Chapter. This is an excellent program for promoting international understanding, and I do trust that this will be the beginning of a program in which many Garden Spot students will participate."

Will Brandau

"My Swiss family, the Scharer family, in addition to Mother and Father, consisted of three brothers and one sister--Hansuelli, Juerg, Urs, and Lisollette. During my stay, I came to respect and love them all very much."

MARCHING BAND

Directors: Mr. Zimmerman

Mr. Bowman

Mr. Dean

After having served ten years as Garden Spot's band director, Mr. Paul White relinquished his baton and position to Mr. Samuel Zimmerman, a noted musician in our community. During the transition following Mr. White's leave of absence, his position was quite ably filled by Mr. William Dean and the Assistant Director, Mr. Luke Bowman. The band is now permanently under the direction of Mr. Zimmerman for the remainder of the 1963-64 academic season, and promises to render a full calendar of musical events.

The 100 man Garden Spot Marching Band

Luke Bowman and his one hundred man marching band joins other units in one of several community events to which Garden Spot groups give support.

Majorettes

Stepping at a lively pace, the majorettes complete the band front.

Susan Wenger, Drum Majorette, discusses last minute preparations with director, Mr. Luke Bowman.

SOCCKER

Mr. Weaver, Varsity Coach

Mr. Loewen, Jr. Varsity Coach

As the close of summer ushered in autumn, the air was again filled with excitement around New Holland. The reopening of school also signified the beginning of the fall athletic program at Garden Spot. This year proved to be an advance to the top for the soccer team, halted only by the league's top contenders, Pequa Valley and Penn Manor. Tough breaks in the season's opening ruined Garden Spot's soccer team's attempt for a county championship. Coach Bob Weaver's Spartans closed the doors of their 1963 season with a "bang;" however, one close game, early in the season, cost the boys their title. This year more than ever before, the boys fought all the way for what they accomplished and our Spartans played like a team because they were a team.

The girls' hockey team attempted to again capture the Lancaster County Championship for Garden Spot, but this year's competition proved to be too "stiff." Boosted by a strong opening to their '63 season, the Spartanettes fell when faced by Penn Manor. Their first place tie was broken and the team claimed a mid-position on the league's ranks, and stayed there for the remainder of the season.

Many town and student spectators have gathered to see the Spartanettes defend their title.

THE TIME MACHINE OF DR. BOTTS

by

D. C. Keller & J. W. Dean

"The Time Machine of Dr. Botts," an original musical comedy written by two school faculty members, was presented on November 8th and 9th as Garden Spot's fourth annual all school musicale. Words and lyrics for the play were by Mr. David C. Keller and Mr. J. William Dean composed the music. Accompanied by Beverly Groff at the piano, the orchestra contributed a big band sound to the production. The dances were

choreographed by Cherry Lynn Brossman who also served as one of the student directors, Trent Delp being the other. Supplementary sets and scenery were designed and executed by Mr. Stinsmen, with the aid of his stage craft club. Mr. Yost served as stage director. Costumes were created by Mr. Keller and made by Mrs. Chimelewski.

VARSITY BASKETBALL

Coach, Mr. Watro

This year's basketball season premiered with a flashing triumph over Octorara. Led by co-captains, Jack Evans and Carl Weaver, and fellow senior, Will Brandau, the cagers topped last season's final record before the first half closed. The trio, having been varsity players for three years, added essential experience to the team. Menno Eby began his second year as one of the "big five." Another bright note for the squad was Marc Muri, a junior, who played varsity ball for his first year.

The team's strongest point last season was their shooting ability; however, the lack of aggressiveness very often limited them. One of the contributing factors for Coach Watro's quintet was height; as Garden Spot topped the county schools in feet and inches. Leading the team is 6'7" Will Brandau, followed closely by Marc Muri at 6'4".

Our Section II was a tight league this year, with the exception of Warwick, the prime contender. The 1963-64 basketball season proved to be an inducement to Garden Spot's school spirit, which was a great morale booster to the Spartans---further spurring the team's victory record.

Coach Watro gives last minute instructions to his team before they take the floor.

Play resumes as center M. Muri taps the ball to one of his teammates.

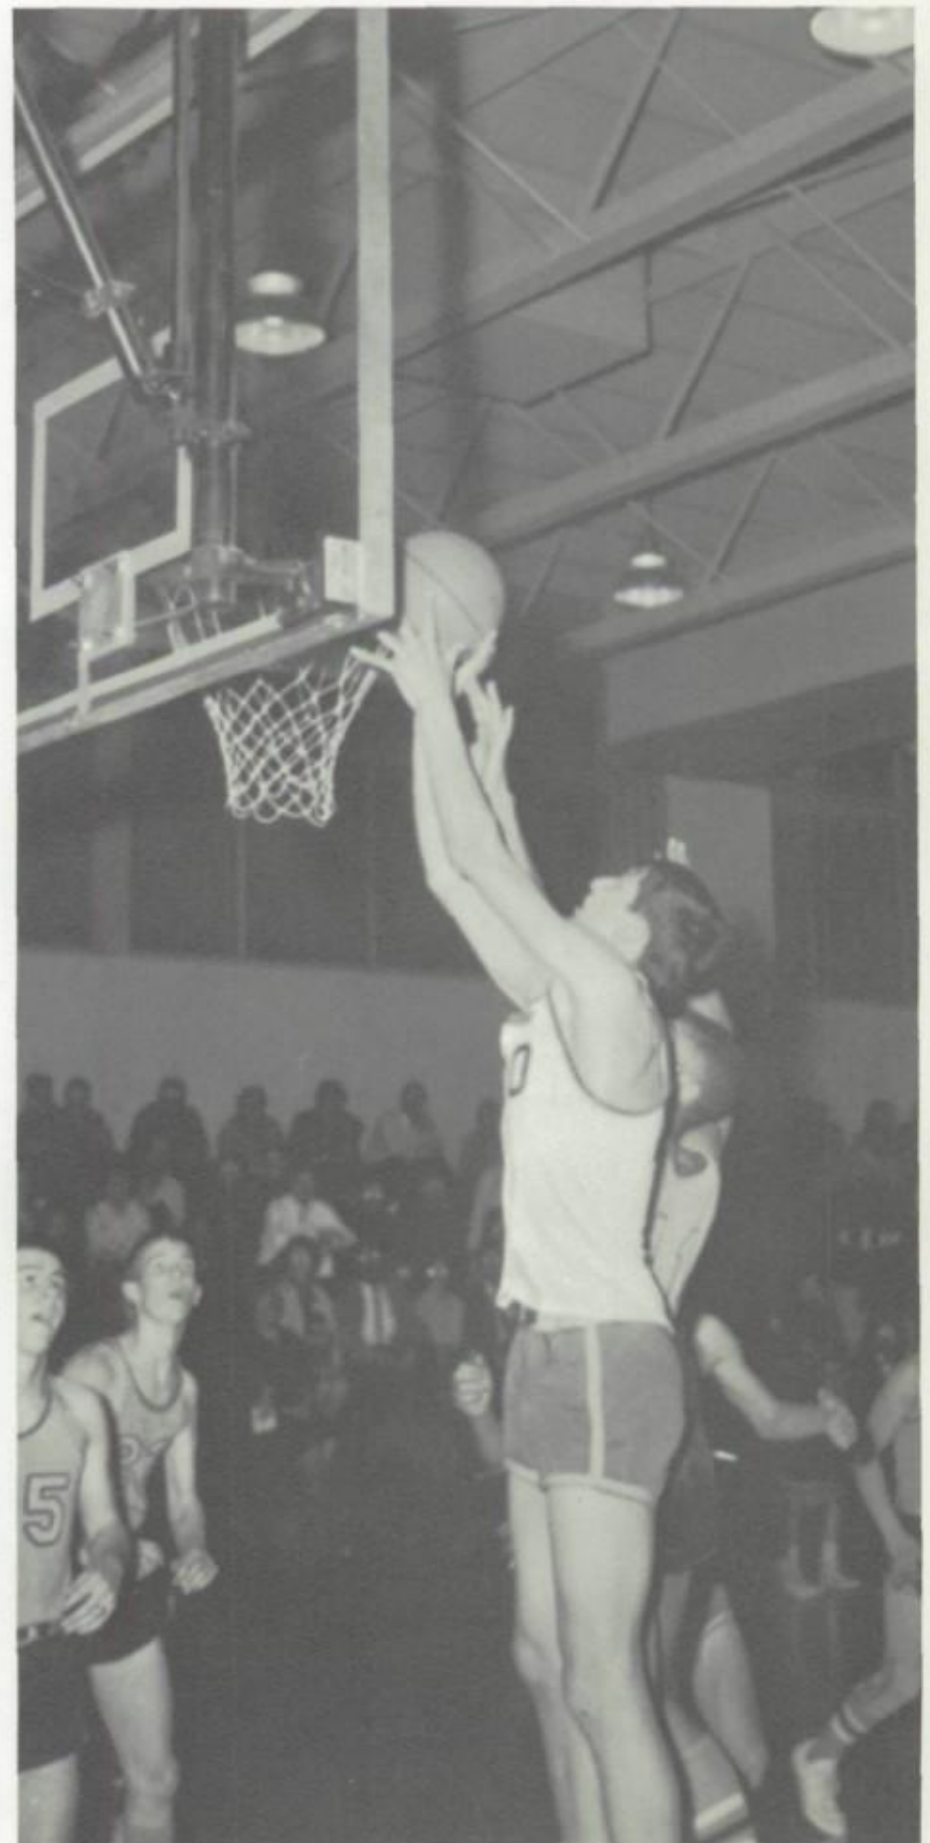

A jump shot from close range adds two points to Menno Eby's total.

WRESTLING

Coach, Mr. Weaver

For the second winter athletic season, action in Garden Spot's gym was spotlighted by a relatively new sport - wrestling. The G.S. matmen again finished a notable season, with a resulting strong concentration of not only student support, but also drawing many local townspeople. Coach Weaver's grapplers pushed "every inch of the way." Led by the team co-captains, Schnader and Shimp, individual recognition was as important as team success.

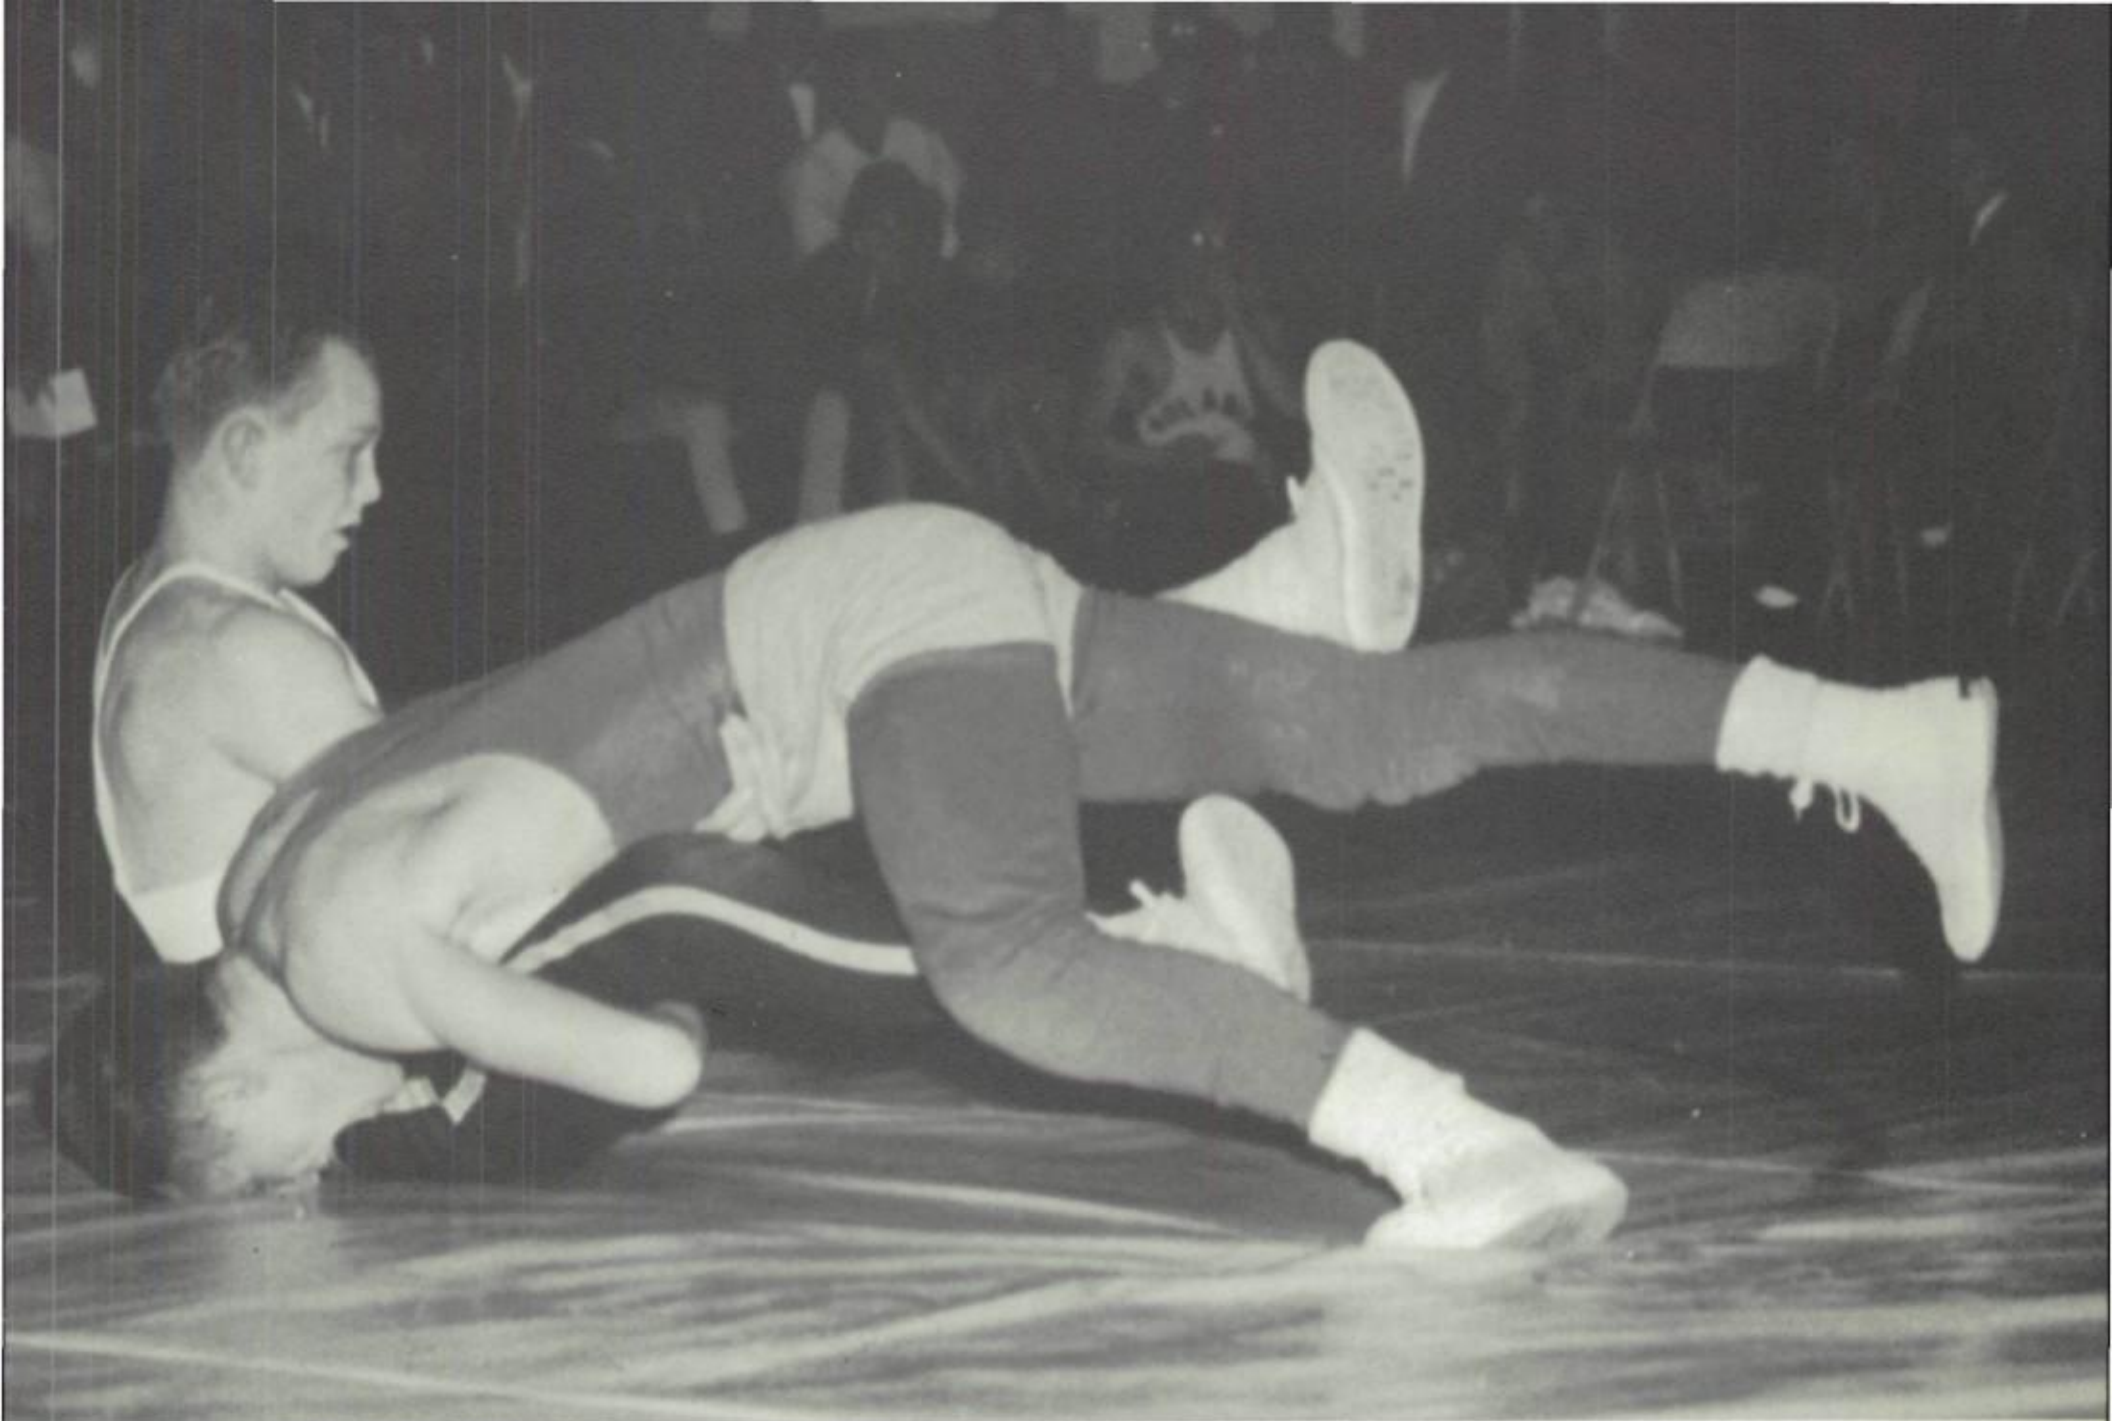

Representatives from the 1962-63 squad were Miller - 103, Shimp - 138, Schnader - 127, Brubaker - 145, Youndt - 154, and Carson - unlimited. Coach Weaver's most consistent men were his middleweight wrestlers who were Brubaker, Shimp, Schnader, and Youndt; aided by Miller and Carson. It was these wrestlers who led the team to their victories. Experience was an important factor in this individual sport, and we find the light weight groups very often lacked this advantage. Coach Weaver can look ahead to another fine wrestling team next year - losing only his co-captains, Schnader and Shimp, and Reeser.

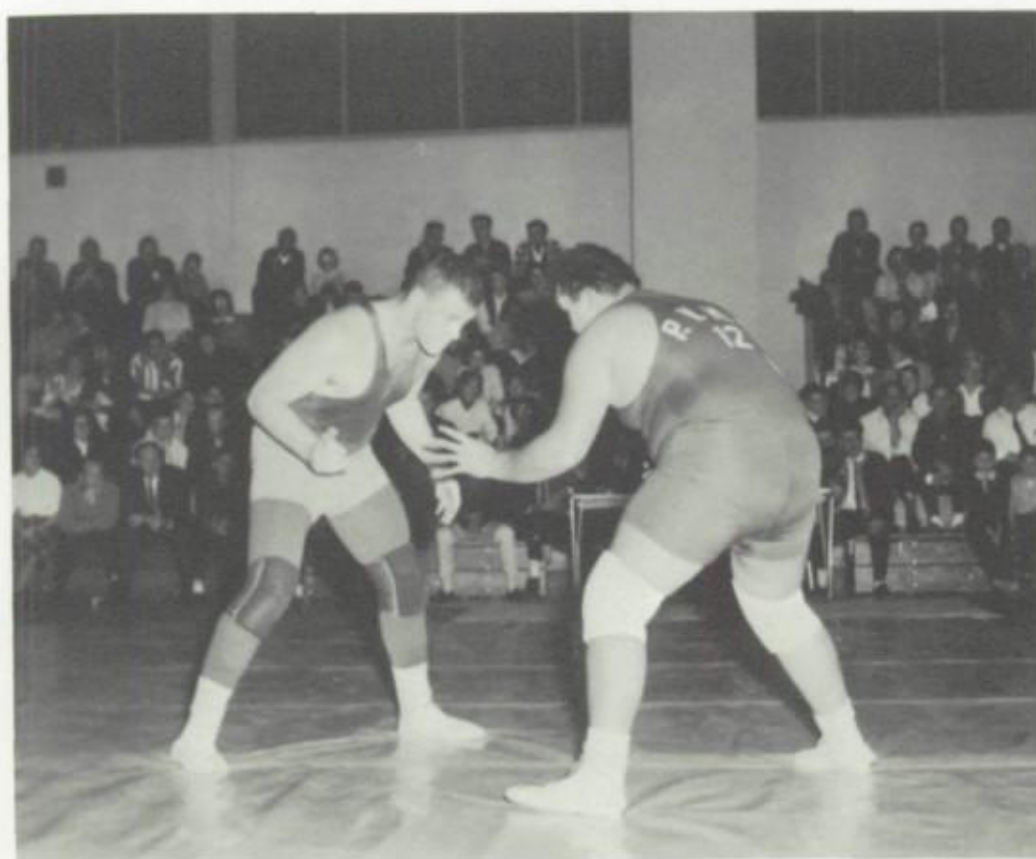

Garden Spot is victorious as heavyweight L. Carson felled his man.

FIRST ROW- Mr. Firestone; co-captains, J. Schnader, J. Shimp; Mr. Weaver. SECOND ROW-G. Meissner, B. Miller, C. Kreider, T. Folker, M. Lease, C. Brubaker, R. Youndt, C. Reeser, R. Geist, and L. Carson.

J. Schnader, Garden Spot's most valuable grappler, drives toward a pin as he strives to maintain his undefeated record.

L. Carson, Garden Spot's big surprise, stands up against T. Heller in the heavyweight finale.

PROM

"Roman Holiday"

The midas touch of the class of 1964 was easily proved at last year's Junior-Senior Prom. A larger than ever throng of couples was overcome by the festive atmosphere, introduced as a "Roman Holiday." all these blended together formed an environment enjoyed by everyone. The guests of honor—the seniors, the hosts—the juniors . . . all danced to the music of Bob Lyter's band. Unfortunately this magic, like any other, had to end, and the 1963 Prom remains as a faint impression—an impression, faint, yet, long lasting.

The atmosphere created by a Roman Holiday proves itself a topic of discussion among dates and friends.

Teammates give support from the sidelines.

Coach Blaker calmly observes her team in action.

Every season contains its good and bad moments, times when everything goes right and times when the only thing to do is hope for a better tomorrow. This season was a strange mixture of both elements. The Spartanettes battles their way to a fine showing in the league, but were unsuccessful in their quest for a second straight championship. However, there is hope, and prospects seem high as the team looks to next year.

A mighty swing by M. Hollinger may mean her winning run.

REFLECTIONS...

Our Class Motto . . .

*We are here to add what we can to,
not to get what we can from, life.*

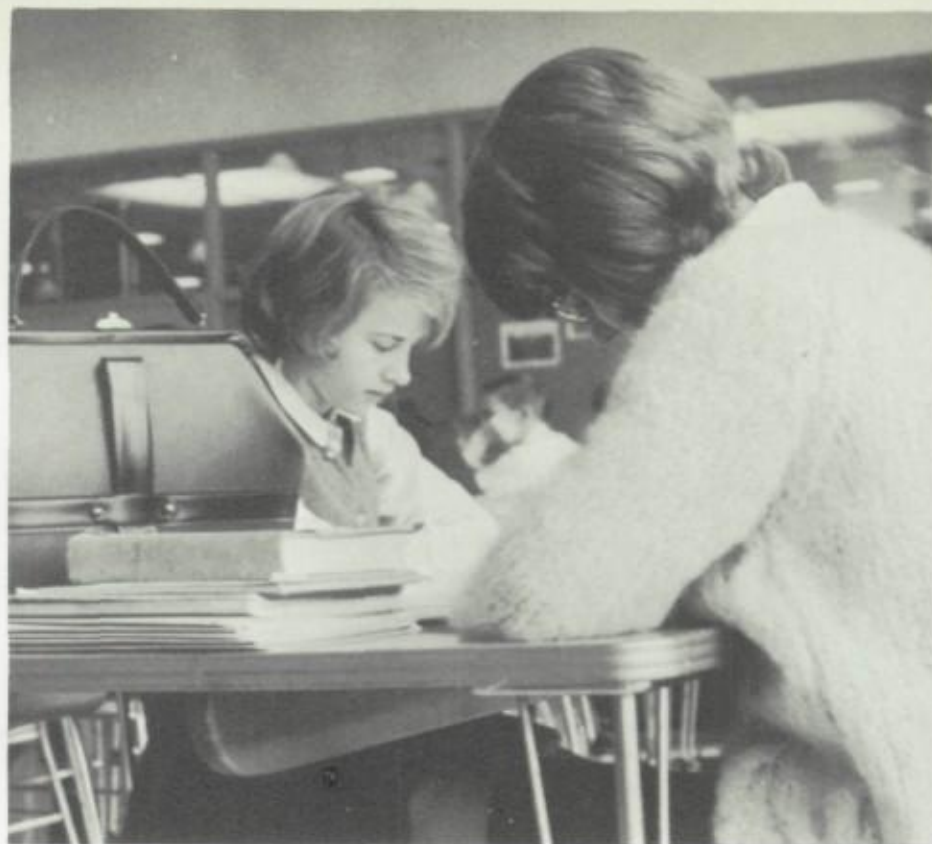

Our Class Flower . . .

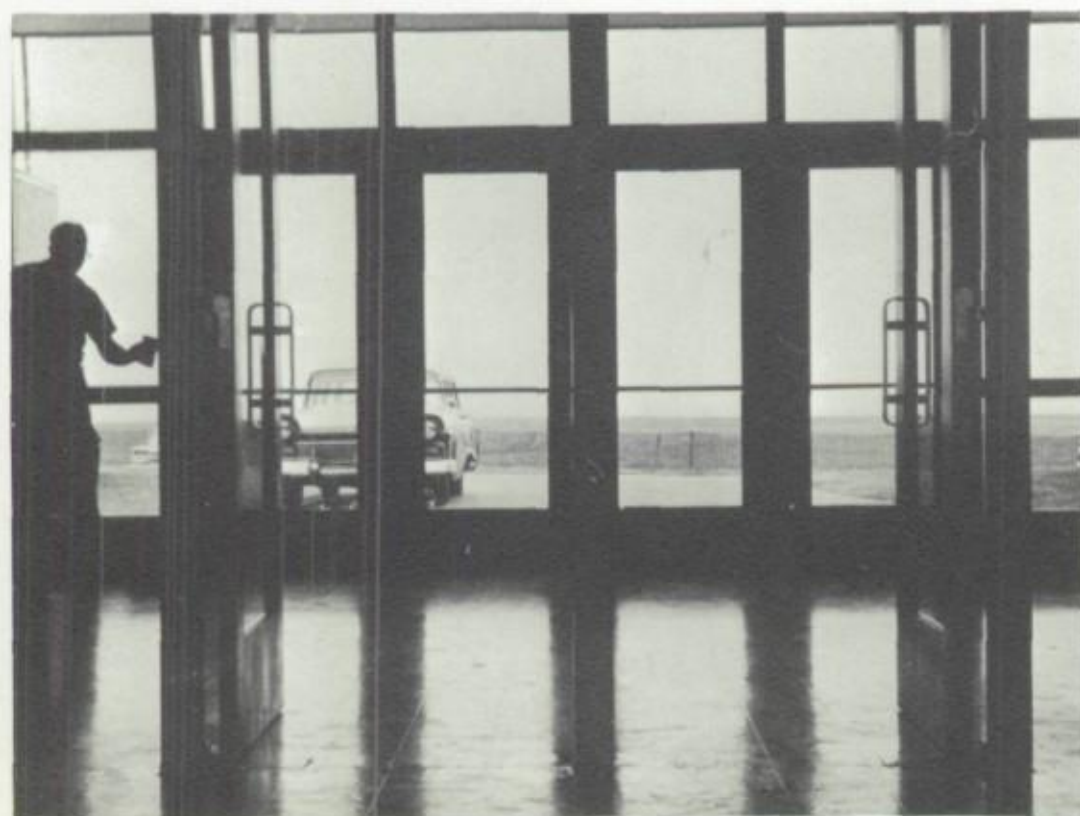

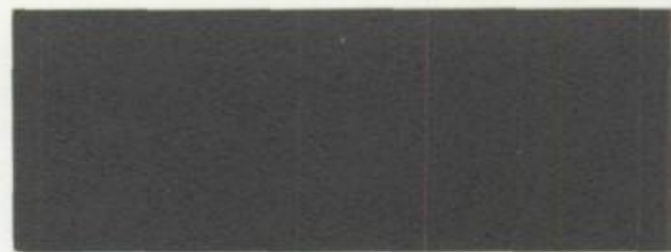

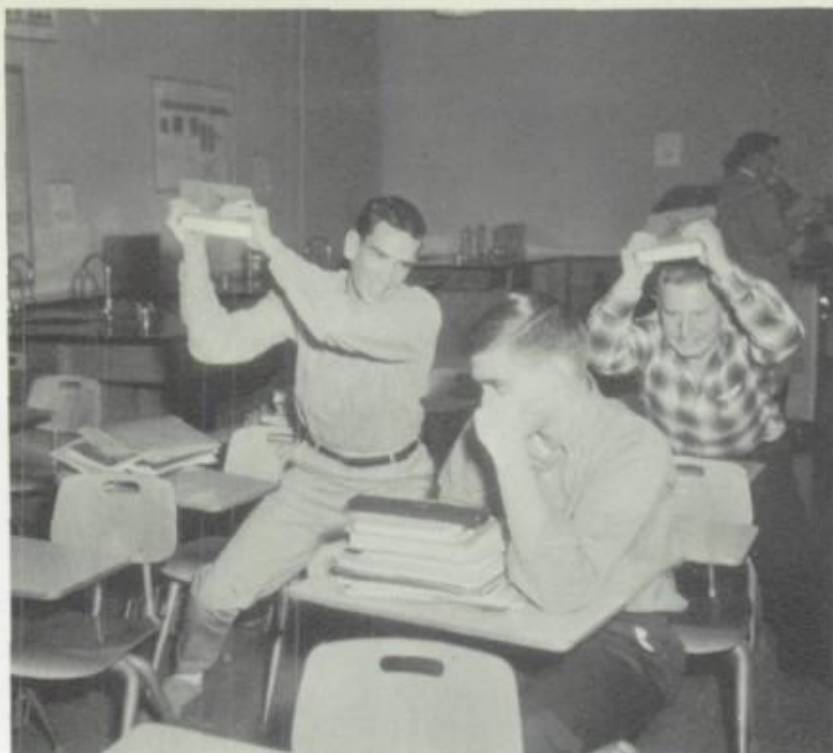

White rose bud tipped in blue

Our senior year, our past six years filled with insight, a little hope and a little learning. Our future, one of uncertainties and remembrances . . . Our first day in Garden Spot at the old Milberg Building, our new school building, our championship junior high basketball team, the first slice in our biology frog, our '64 on the traditional school jackets, our Junior class food stand and dances, our class rings, planning and decorating our prom for the seniors, our trips to Washington—to New York, our co-ed bowling excursions, our Senior stand at farm show, and of course, the graduation festivities . . . these are the hi-points of our six years at Garden Spot High School. It is to these events in perspective that we are "looking forward to a look back."

GARDEN SPOT—1963 - 64

A variety of experiences engendered by our will to do . . . 1963-64, another year filled with rewarding efforts by both student and teacher . . . Memories—we won, we lost . . . cheers at a soccer game, a hovering hush that blankets the gym during a wrestling match . . . November 22—our president's death, our reactions . . . from the spotlight or sideline—the student body, a reflection of spirit and a sense of pride . . .

the Christmas dance or a mere victory dance . . . May Day in its entirety . . . Our year round calendar of musical events and presentations . . . The Prom and all its glamor . . . Another year climaxed by Graduation and its numerous festivities . . . For all of these, we glance into the past, but the future also hosts greatly expanded roads . . . We gaze into the future as we are, in perspective —“looking forward to a look back.”

PROGRESS . . . it's everywhere

NOW ONE MAN CAN DO THE WORK OF A HUSKY THREE-MAN TEAM!

Great progress is being made in nearly every phase of endeavor. And some of the best examples of this progress can be found in schools like yours.

The farm equipment industry has made progress, too. Today, for instance, one man, working alone, can bale and load hay faster than a three-man crew. All by machine.

Producing the profit-making, labor-saving farm machines to accomplish that task is the job of the people who work at New Holland Machine Company--a part of the community since 1895.

Like your school, New Holland believes in fostering progress. The company and its people are pleased to pay tribute to the graduates of 1964, to their parents, their teachers and everyone else who has helped them reach such an important career milestone.

ACKNOWLEDGEMENTS

TO BUSINESS MANAGERS—CAROL ZIEMER AND JAY LEARY AND THE ENTIRE BUSINESS STAFF who achieved the impossible by keeping the “Spartanus’s” financial operations in the black under the leadership of Mr. Gerald Martin.

TO THE DELMAR PUBLISHING COMPANY who maintained their faith even in the face of many deadlines which were not met.

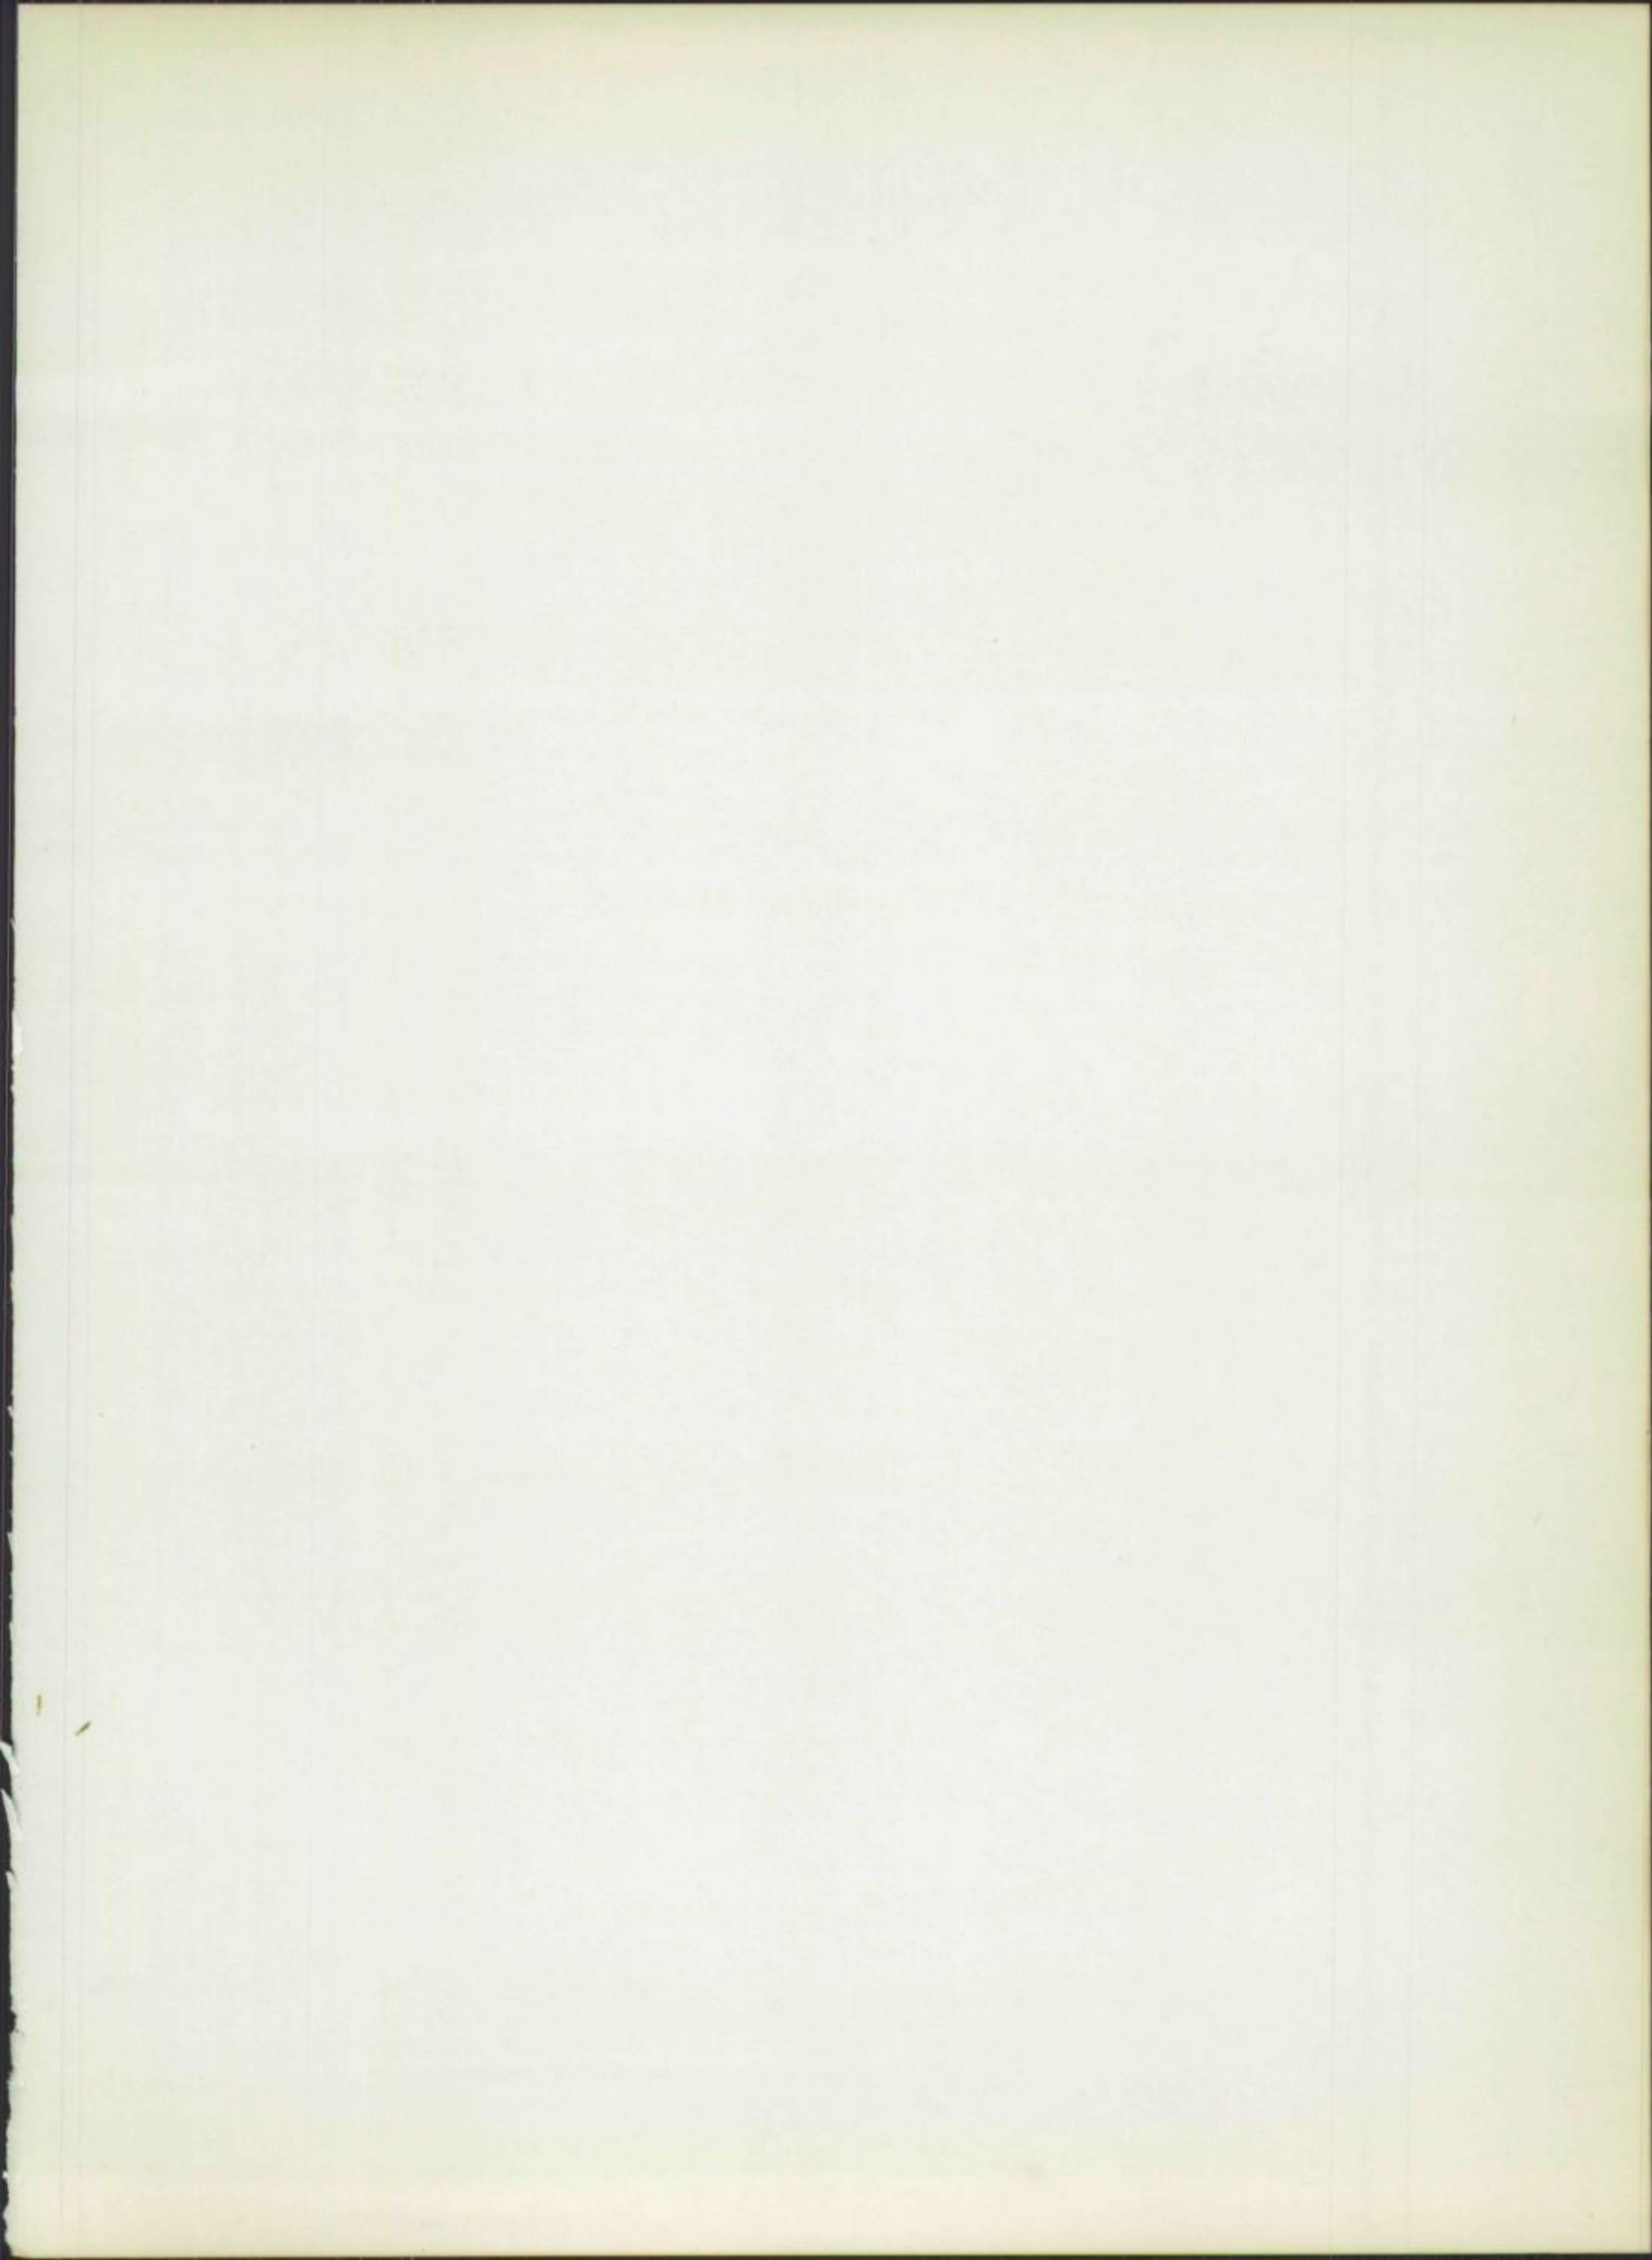

TO THE SHELLEY STUDIOS who worked hard to maintain their usual high quality in photography.

TO FACULTY ADVISOR, FRANK A. PALUMBO a very special vote of thanks for the many hours he so generously expended in assisting us, for the advice that solved many of our problems, and for the good humor and confidence he displayed when the going was tough.

TO MR. DONALD A. SHEAFFER who followed up on many minute details and kept the staff running efficiently in Mr. Palumbo’s absence.

TO MR. JOHN STINSMEN a sincere thanks for the photography he contributed.

TO THE ENTIRE “SPARTANUS” STAFF and everyone else who contributed their time and energy, we offer our deepest thanks.

to a look back.
